RAISE NATIONAL COAL PRODUCTION

INCREASE COAL OUTPUT -- Budapest, Friss Ujsag, 27 Feb 51

Hungarian miners raised the national average mining production to 130.4 percent of the norm on 24 February 1951, the day of the opening of the Hungarian Workers' Party Congress. Individual coal mines reported even higher production figures for the day, ranging up to 197.7 rercent of norm.

PETOFI MINE WORKERS TOP PLAN -- Budapest, Friss Ujsag, 24 Feb 51

workers of the Petofi Mine produce(8,000 tons of coal, exceeding their pledge to produce 4,000 tons above plan, during Congress competition week. During the same period, 173 new members joined the Communist Party organization at the mine. Average production of the mine during the competition week reached 135.3 percent of the norm.
